KNOW YOUR ROOTS!

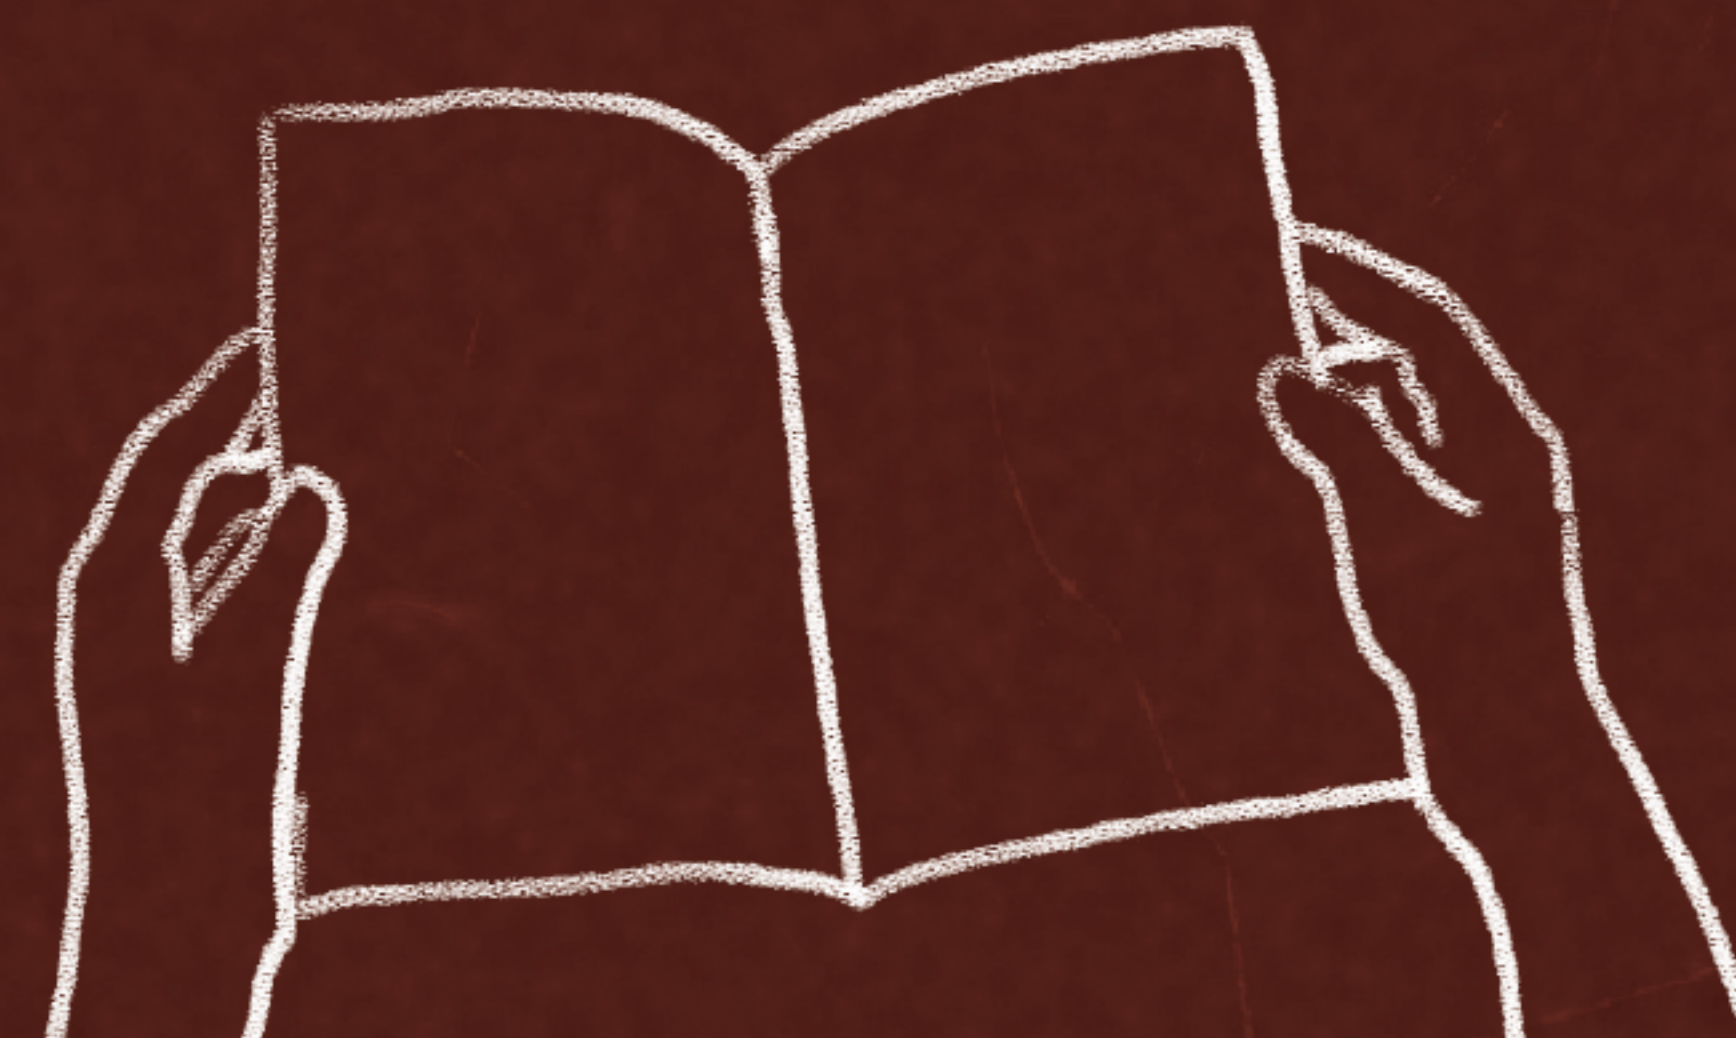

Knowle West was first built as a 'garden suburb' – big gardens and open green spaces. Understand your history and find ideas to learn from and adapt over time.

You're not starting from scratch... There's great things about every area. Celebrate the small things and you help foster that pride.

CELEBRATE WHAT YOU GOT!

EVERYBODY HAS A STORY!

Local people make a place. Characters in every corner. People can surprise you... A hidden talent. Untapped potential. A unique insight.

You've gotta leave room for people to come onboard. Open arms, open doors. Start with a smile. Team up and make new friends.

EVERYONE'S YOUR MATE!

STAY PLAYFUL!

We were all kids once. Remember to keep it loose and get creative. Play gives us room to dream. Launch ideas into the clouds.

MAKE THE FUTURE REAL!

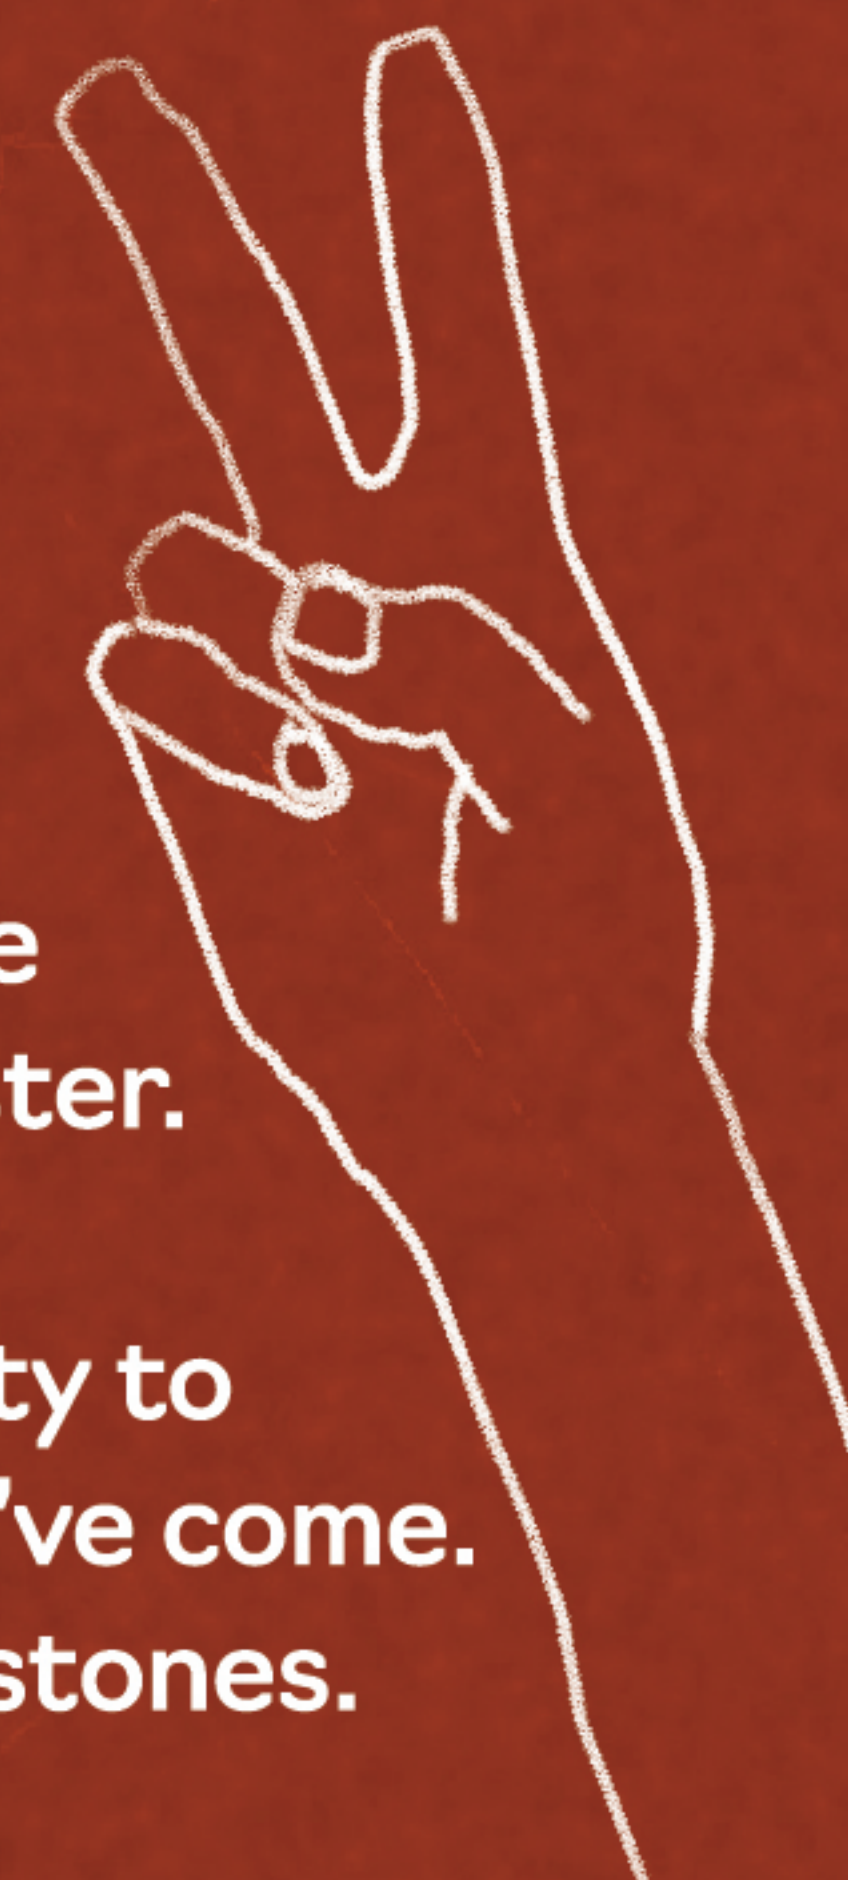

Get hands-on. Test things. Make stuff. Working prototypes. Show people it's possible.

Fund artists and invest in local people to make lasting connections. Put your money where your mouth is.

POWER UP THE PEOPLE!

ENJOY THE JOURNEY!

It's always gonna be a bit of a rollercoaster. But there's always another opportunity to look at how far you've come. Celebrate the milestones.

Be proud of your progress. Put yourselves on the map. Demand attention. Become a destination.

MAKE SOME NOISE!

KEEP THE PARTY GOING!

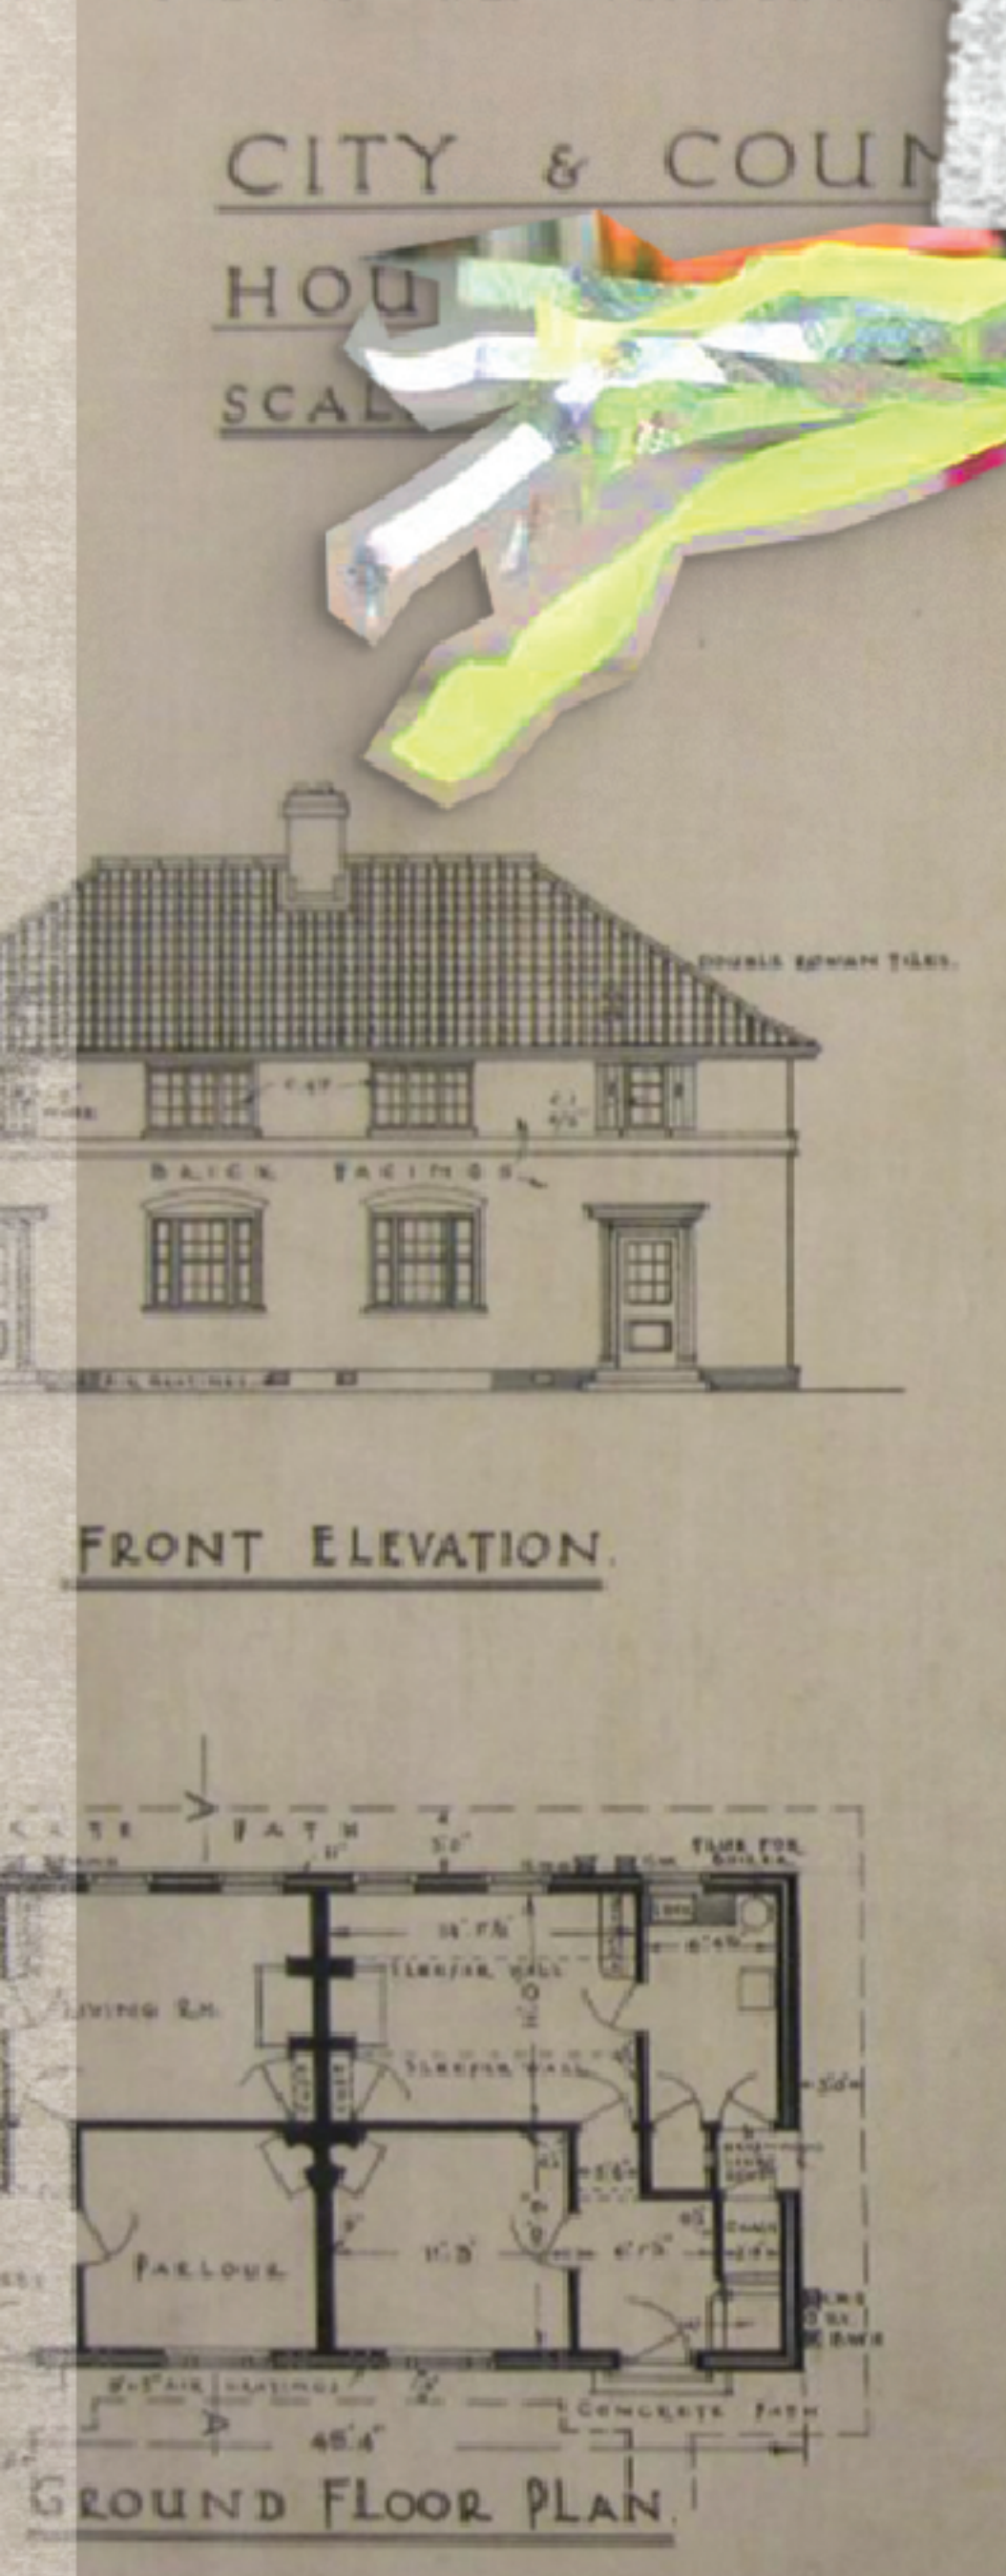

The real work is building on the momentum. You have to make sure it's never too late to join in.
